I wholeheartedly recommend Harshpreet Singh, who recently completed his 3 months as an Automation Intern at Breakout Investing.

His primary responsibility was to optimise our automated system for market analysis and order execution. Despite facing significant challenges with the existing system, his exceptional problem-solving skills and ability to quickly adapt to new situations allowed him to overcome these obstacles. He successfully developed a system that significantly improved efficiency and accuracy, demonstrating his innovative approach to problem-solving and dedication to his work.

I believe that Harshpreet Singh's technical skills, passion for learning, and innovative approach make him an invaluable asset to any team. I wholeheartedly recommend him for any role that requires a talented and dedicated software engineer.

Please do not hesitate to contact me if you require any further information or have any questions.

Sincerely,
Kapil Mittal
